- Regents Requirements:** Students are only required to attend school if they have a regents exam. Normal morning and afternoon transportation is available on all exam days. If students come to school and do not have an exam, they are required to be in the library, CLC, or with a teacher for a review session. Many teachers hold review sessions and these schedules are shared with the students in the classes. Electronic devices are not permitted in the exam areas and students will be required to turn them in as they enter the exam location. **REGENTS EXAMS CAN NOT BE MADE UP. IF A STUDENT IS ABSENT HE/SHE MUST WAIT UNTIL THE NEXT REGENTS ADMINISTRATION WHICH IS AUGUST OR JANUARY.**
