

# You're invited to the PAVE summer program!

We're so excited that we are able to offer 3 fun and interactive 2 week programs available to all incoming 3-8 graders!

Each student enrolled is expected to come every day of that program for its entire duration- Monday through Friday from 8am to noon. Both breakfast and lunch will be provided daily as well as bus transportation if needed.

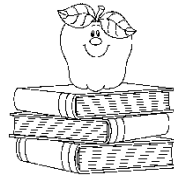

**July 9- July 20**

## Session 1: The Art Experience

A mixture of different mediums (paint, clay, sketching) as well as some fun crafts for each age level

Creation of a creative video/broadcasting project including design, filming, and editing

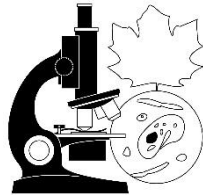

**July 23 – August 3**

## Session 2: Literacy Camp

Native American themed novels have been chosen for each age group and we will immerse ourselves in the cultures explored in the stories we are reading through Native American themed crafts, recipes, dance and games

**August 6- August 17**

## Session 3: STEM Adventure

Exploration of many different areas of science including biology, physics and chemistry through age appropriate activities and engineering projects

\*\* To sign up fill out the attached PAVE Information Form (if the child is already enrolled in PAVE for the current year only fill in the top section) or contact Mallory Ryan with any questions at [maryan@gstbores.org](mailto:maryan@gstbores.org) or (607) 333-5362 \*\*
