JACKIE MOUILLESSEAU-GRUBE

Field Hockey

Class of 1992

Empire State Girls

Spencer-Van Etten is proud to have three athletes who participated in the Empire State Games. For the past two summers, Danielle Deane, Laurie Passmore and Jackie Mouillesseaux have been selected to participate on the Central Field Hockey Team, which competed against four other area teams from New York State. The games have been held in Syracuse and Albany. The three girls also traveled to Florida in 1990 to participate in the National Tournament. Danielle, Laurie and Jackie learned to work well with unfamiliar people who were their new teammates and they look back on the experience as being very beneficial.
