

6th Annual

Wayne's Run

5K Run/Walk Event

Saturday, May 6, 2017 @ 10:00 a.m.

Wayne Montgomery worked for the Spencer Van Etten School District for five years as a teaching assistant and as the Elementary Dean of Students. He managed the planning room in addition to many other programs. He was the co-founder of the Caring Council which is a group of students committed to promoting kindness and respect within the school community. This caring community theme still resonates throughout the elementary school with Wayne's memory as a major driving force. Not only did Wayne talk the talk, he walked the walk. His message of showing kindness and respect was evident in all he did; he was a true role model and inspiration for all.

Wayne died unexpectedly at the age of 54. To continue Wayne's legacy and honor his memory, school staff, family, and friends have created the "Wayne's Run" 5k run/walk event. This event will serve as a memorial to Wayne while raising funds to create a scholarship which will be awarded to a deserving Spencer Van Etten High School senior who exemplifies the qualities of good character and citizenship.
