

## AMERICAN RESCUE PLAN FUNDING RESULTS

June 23, 2021

**As we prioritize spending in the following focus areas, please indicate what you believe is the greatest need within the Spencer-Van Etten Central School District? Please only select one. *\*Asked to Staff & Families***

Programs to address academic learning loss = **57%**

Social and emotional support for students and families = **20%**

Improved air quality and building disinfecting efforts in school buildings = **13%**

Equity of technology with all students, families, and schools = **10%**

**Recognizing summer and supplemental afterschool programs as a time to bridge learning gaps, what do you believe is the greatest need for our District's students and families? Please only select one. *\*Asked to Staff & Families***

Additional instructional/learning supports = **53%**

Student and family engagement and related activities = **30%**

Social/emotional and behavioral supports = **17%**

**ESSER funds must address the academic impact of lost instructional time during the pandemic. Please indicate the ongoing interventions in which your child would most likely participate. Please check all that apply. *\*Asked to Families***

Afterschool Programs = **38%**

Summer learning and summer enrichment programs = **33%**

Tutoring = **29%**

**What has been the greatest technology challenge throughout your experience with distance learning? Please only select one. *\*Asked to Staff & Families***

Students unable to connect (i.e. WiFi, network accessibility, etc.) = **45%**

Software issues (i.e. ease of use with Schoology, Zoom, etc.) = **44%**

Hardware issues (i.e. obtaining and maintaining a device for distance learning) = **7%**

Training and professional development = **4%**

**With HVAC systems (air quality and filtration efficiencies), the District can address learning loss in the warmer months of summer. With expanded ability for climate control, how likely would you be to refer students to in-person extended day and extended year programming. *\*Asked to Staff & Families***

Very Likely = **15%**

Likely = **24%**

Unsure = **22%**

Unlikely = **15%**

Very unlikely = **24%**

**Please rank the significance of funding mental health services and supports, including the implementation of evidence-based full-service community schools (i.e. agency-supported counseling and tutoring services, medical programs including health care clinic and more). *\*Asked to Staff***

Very significant = **45%**

Significant = **43%**

Neutral = **11%**

Insignificant = **1%**

**How aware are you of the social, emotional and mental health services S-VE offers in order to meet the unique needs of students? *\*Asked to Families***

I do not know anything about these services = **14%**

I know a little bit about these services = **25%**

Neutral = **11%**

I am aware of these services = **34%**

I am very aware of these services = **16%**
