Diahann Hesler
Superintendent of Schools

November 13, 2020

Dear Parents and Guardians,

This email contains information regarding the SchoolMessenger App, Daily Health Screening, Land for Sale, and Free Breakfast and Lunch for Students.

SchoolMessenger App (District Communications System)

Please consider downloading the SchoolMessenger App!

The benefit of using the SchoolMessenger App:

- review district texts, calls and emails sent through SchoolMessenger,
- see which child the district communication was sent in regard to,
- choose preferred method of communication from the district,
- update your contact phone numbers and email addresses, and
- report your child's absences.

When the district sends a communication to parents regarding a potential exposure to COVID, parents are able to access the SchoolMessenger App and determine which child the communication was referring to. More information can be found: <https://www.svecsd.org/SchoolMessenger.cfm>

A one-minute video of SchoolMessenger is linked here: <https://vimeo.com/180768415>

Daily Health Screening

Thank you for registering to use the Cayuga Health Daily Screening Program! It is important that you use this program for your child(ren) each in-person learning day before school. We receive a daily report that includes students who are cleared to come to school, those who can't, and those who did not use the program. By utilizing Cayuga Health Daily Screening Program, you will

- assist the district in meeting the mandated daily health screening requirement,
- have access to a telehealth visit should you need to,
- help simplify the screening process for the school nurses, and
- ensure your child is cleared for school before arrival.

Land for Sale

The district owns a 100-acre parcel of land on Dean Creek Road and is accepting bids until December 8th at 2pm. For more information, please visit our website.

Free Breakfast and Lunch!

Remember that school breakfast and lunch is free for all students through June 20, 2021! Your child is eligible and only needs to indicate at school that they would like a meal. For more information, go to:

<http://spencervanettencafeteria.gstboces.org/index.php?sid=1602170838100>

Thank you for your continued support.

Be well,

Diahann Hesler
Superintendent of Schools
