Dear Parents/Guardians,

We are pleased to announce that we will be holding three 45-minute parent/guardian Zoom sessions, with an opportunity for you to learn about our reopening plans. The beginning of this Zoom will be a presentation regarding reopening and the plans created thus far, as well as information regarding such topics as transportation, food service, health and safety, and athletics. As you can imagine, there is much to coordinate, and we value your feedback and input to ensure that our plan for reopening is successful for all. Although Zoom sessions will be tailored to specific details regarding each school, information on the new safety mandates and required protocols will be the same in each session.

The public forums, via Zoom, will be next week on Thursday, August 20, 2020 at:

- 5pm for the Elementary School level
- 6pm for the Middle School level
- 7pm for the High School level

We would like to incorporate as many of your questions as possible. In order for questions to be included, you must provide your full name and indicate which building/grade level your question applies. Questions are to be submitted to [sveinfo@svecsd.org](mailto:sveinfo@svecsd.org) before 4pm on Tuesday, August 18, 2020. We will read and answer as many questions as we can within the 45-minute session. Responses to unanswered questions will be included in our FAQ document posted on our website.

Please check your email next week for the Zoom Meeting ID. For those unable to attend the scheduled Zoom offerings, the recordings from each parent/guardian session will be posted on the district website [www.svecsd.org/reopen.cfm](http://www.svecsd.org/reopen.cfm) so you may view them at your convenience.

We hope you will join us!
