August 14, 2020

Greetings Parents and Guardians,

Per the Governor's recommendation, we are including the Distance Learning Plan Summary and the one-page Health and Safety Plan for your information. These documents are also available at [www.svecsd.org/reopen.cfm](http://www.svecsd.org/reopen.cfm) for your review. The Distance Learning Plan will be utilized for both the Hybrid Model and the Distance Learning Model. We understand that families may not be familiar with the Schoology platform and our intention is to offer ongoing trainings to staff, students and families.

The Health and Safety one-page summary is the guidance that has been received from the DOH regarding our health screening protocols, school closures and communication plan. This information has been shared with our local health departments and our school physician; however, the information seems to continue to evolve and change and we expect to revise accordingly.

If you did not submit your child's Student Learning Enrollment Form, please call the District Office at 589-7100. We have been working hard to assign those enrolled in the Hybrid Model of Learning to the days they will be attending each week. The Alpha group will attend Monday and Thursday instruction in person. The Omega group will attend Tuesday and Friday instruction in person. We anticipate having these groups finalized next week and will communicate this information with families.

Thank you to those who have submitted questions to [sveinfo@svecsd.org](mailto:sveinfo@svecsd.org) for the Parent/Guardian Zoom sessions next week. We will provide parents with the zoom link on Wednesday, August 19, 2020. Please let your child's school principal know if you do not have access to our FAQ (Frequently Asked Questions) document, located on the website. We will be happy to provide this information in an alternative format.

Be well,

*Diahann Hesler*
