Happy Friday Parents and Guardians!

Just a brief communication this week.

Communications:

- We will be reaching out to families who don't receive our text message communications to offer assistance in signing up for this option.
- The district is utilizing the Cayuga Health Screening Program and will be reaching out to families who are not using this program for their in-person learners to help them through the sign-up process. You can still sign up on your own by going to our website <https://www.svecsd.org/dailyhealthassessment.cfm>.
- We encourage you to go to our distance learning page on the website for technology support, parent trainings and more: <https://www.svecsd.org/DistanceLearning.cfm>.
- If you haven't signed up for the SchoolTool Parent Portal and would like to access your child's grades and assignments, please go to your child's school webpage for directions.

New Food Service Offering!

The Food Service Department is offering a new service this year to help you easily celebrate your child's birthday at school. The school cafeteria will now offer healthy, peanut-free, fun treats you can easily purchase for the entire class.

How do I place my order? Choose from the SMART SNACK approved treats list for your child's entire class. Send attached form with payment (cash or check) to your child's teacher at least two weeks prior to the celebration date. *Make checks out to "School Lunch Fund."* All treats will be available in the cafeteria to be picked up at the teacher's preferred time. Questions can be directed to Michelle Dougherty, Food Service Manager @ (607) 589-7150.

I hope you take time to get outside and enjoy the beautiful weather this weekend.

Be well,
Diahann Hesler
Superintendent of Schools
