Parents and Guardians,

I want to sincerely thank each of you for partnering with us over the past several months. I know it has been challenging to manage academics, childcare, and work schedules, to name a few. We certainly recognize the hardships and sincerely appreciate your patience, understanding and support. I hope each of you are able to spend much needed and deserved quality family time with your children over Winter Break.

We are very eager to bring students back to 4 days per week in-person learning. Please remember to take time to fill out the survey on the website or provided below to let us know what you have decided for your children, in-person or 100% distance learning. We request that you submit this survey by Sunday, January 3, 2021 so that we can continue planning for our students.

As a reminder, we will return to 4 days per week in-person instruction (no more alpha and omega cohorts) beginning:

Tuesday, January 19th for Elementary School Students,
Monday, February 1st for High School Students, and
Monday, February 8th for Middle School Students.

Enjoy the break,

Diahann Hesler
