Dear S-VE Parents and Guardians,

Thank you for partnering with the district as we navigate through the start of the school year. Your patience and flexibility are appreciated.

We aspire to work with families to provide an educational plan that works best for you and your child. Now that your child has attended a few days of in-person learning, if they follow the hybrid plan, as well as all students learning remotely following the distance learning plan, we are opening the window for you to change your child's plan.

What does a plan change mean?

- 1) If your child follows the Hybrid Plan, attending in-person learning 2 days per week, you may request to change to 100% Distance Learning  
OR
- 2) If your child follows the 100% Distance Learning Plan, you may request to change to the Hybrid Plan to attend in-person learning 2 days per week.

How do I change my child's plan?

- 1) Call to your child's school prior to Friday, September 25<sup>th</sup> at 3:00pm.
  - a. Elementary School: Mrs. Bishop @ 589-7110
  - b. Middle School: Mrs. Holmes @ 589-7120
  - c. High School: Mrs. Perry @ 589-7140
- 2) Request a plan change; also request if you need transportation, a technology device, etc.
- 3) Next week, your child will still follow their current plan, as all changes have a domino effect and the district needs time to plan for scheduling, class sizes, transportation, etc.
- 4) Your child will begin their new plan on Monday, October 5<sup>th</sup>.

Again, for those interested in changing your child's learning plan, please make your requests to your child's school prior to Friday, September 25<sup>th</sup> at 3:00pm. After 3:00pm, the window will close again until the week of October 19<sup>th</sup>.

Be well,

*Diahann Hesler*
