April 30, 2021

Dear Parents and Guardians,

Happy Friday!

Hopefully you received the Budget Newsletter in the mail. If it did not get to you, you can view it on our website at [District Newsletters \(svecsd.org\)](http://www.svecsd.org).

We have adjusted our Reopening Plan according to the April 9th Department of Health Guidance. We would like to offer you the opportunity to review the plan. <http://www.svecsd.org/reopen.cfm>
The following is a summary of the significant changes... Masks, 2-ply that completely seal the nose and mouth, must now be worn at all times. Social distancing for PE, Music and Chorus has been reduced from 12 feet to 6 feet and social distancing within the classroom can be reduced to 3 feet. In some instances, individualized instruction may require a closer proximity per the curriculum taught, as well as students transitioning between classes. In these instances, we are still following proper masking, disinfecting and protocols to ensure safety. We welcome your feedback through using our district email, sveinfo@svecsd.org. We appreciate your patience and understanding as we continue to navigate through this pandemic.

We are now coordinating with our local health departments to try to set up a student vaccination clinic for interested and eligible students with parent consent. Information will be sent to high school parents and guardians for students that are 16 years of age and older.

Be well,

Diahann Hesler
Superintendent of Schools
